

AT HOME

SERIES NOTES

The “Best Day Ever At Home” series is a three-week series created to do as a family at home. It will help kids learn why Easter is the best day ever and how every day can be the best day ever when they are following Jesus!

Each week includes a family lesson that parents can use at home with both preschool and elementary kids, as well as a preschool video and an elementary video that will show kids how God promised to make a way for us to be friends with Him forever, how Jesus was God’s plan for fulfilling that promise, and how that makes Jesus the best ever!
